Dear Applicant:

Thank you for your interest in volunteering at the Billie Hardee Home for Boys. Please consider the following questions prior to completing and submitting the enclosed application.

-Am I willing to make a commitment to community service? We welcome individuals who are willing to treat their volunteer work seriously and with commitment. This means being dependable and on time.

-Am I willing to make a pledge to always put our clients and visitors first and to understand the importance of cheerful, compassionate and competent service?

To be a part of our family, return your completed application and required forms in the envelope provided. Be certain that you include accurate information so as not to delay the process. Please complete the highlighted portions of both the SLED and Central Registry form which are a requirement by our state. It takes around a week for us to finalize the background checks. We will then contact you in hopes to schedule an interview and place you on our Activity Calendar.

I look forward to meeting you and you becoming a part of our volunteer program. Enclosed you will find a Volunteer Handbook which will tell you a little more about our program. Please feel free to call me if you have questions or need additional information.

Sincerely,

Dianne H. Dennis
Director of Development
